To

The Principals,
All Nursing Institutions of Punjab State
(through website and Online Portal)

Subject: Immediate Action Required for Denial of Admission to Allotted Candidates.

We are writing to bring to your attention a serious concern regarding the admission process for ANM and GNM courses. It has come to our notice that despite the proper allotment of seats through the centralized counselling process, some institutions are denying admission to certain candidates who have been duly allotted seats. This is occurring despite their fulfillment of all required eligibility criteria and submission of complete documents.

Such actions are in clear violation of the guidelines set by the PNRC and are unacceptable. Denying admission to eligible and deserving candidates undermines the integrity of the admission process and creates unnecessary hardship for the students.

We hereby instruct to all institutions to immediately cease such practices and admit the allotted candidates without further delay. Failure to comply with this directive will result in strict action, including but not limited to: -

1. Withholding of the seats that have been wrongfully denied to candidates.
2. The said seats will not be filled during the upcoming counselling rounds.
3. Additional punitive measures as deemed appropriate under the purview of law.

Your cooperation in ensuring a fair and transparent admission process is essential and appreciated.
